

Who We Are

The Vine Trust is an international, interdenominational charity with a vision to see communities transformed. We work to bring opportunity, health and hope to disadvantaged communities and marginalised people with a particular concern for vulnerable children. In recent years our partnership with Scripture Union Peru, has become our flag ship project.

In Peru, children as young as 4 are living on the streets, subjected to violence, neglect and human rights violations. Our street children project offers these children a way off the streets, into residential and educational programmes.

Access to health care is also out of reach of many residents in Peru- a country where over 20 per cent of people live in 'extreme poverty'. Our medical project is aiming to combat this through delivering a primary health care service for up to 100,000 people in the Peruvian Amazon.

In the midst of all this poverty, we often find that people have the vision to work their own way out of poverty but lack the resources to do so. Our micro-enterprise projects have the dual benefit of enabling former street children to find employment while contributing towards making the project self sustainable.

2000 + 2

While the eventual aim is to make the project self financing within Peru, there are many people who require help now.

With this in mind we are looking for **2000 people** who are able to give **£2 a week** or £8.50 a month to support the urgent work. This will raise over £200,000 per year which will underwrite:

- > 50% of the medical projects core costs
- > 100% of the costs of putting 250 street children into full time residential homes.

Regular donations allow us to grow the project in a more sustainable way and plan with a longer term view. If you would like to make a difference and be a part of **2000 + 2**, giving £8.50 a month or what ever you can afford please fill in the Standing Order form opposite. Thank you.

There are also opportunities for you to visit the work in Peru- to see for yourself how your funds will make a difference. Please see www.vinetrust.org for details on volunteering and visits to Peru.

Gift Aid explained

If you are a UK taxpayer and donate any money to a registered charity, you have the option of giving by Gift Aid. For every pound you give to the charity the Government will give that charity an additional 28 pence. This means that if you give £1.00 and agree to Gift Aid, you are actually giving your charity £1.28 (see the standing order form to fill in your Gift Aid details).

How We Spend Your Donations

Every pound that you donate will go directly towards our Peru project. Due to our core UK staff costs being funded by specific support from the Lloyds TSB foundation for Scotland and a number of individuals, 100% of your gift given for the project is spent on the project. We do however retain some of the funds recovered from Tax via Gift Aid donations to cover UK costs directly related to the project such as fund raising, auditing and administration.
