

KidSpace

In response to a growing number of requests to help support kids on a regular basis we have launched this scheme to help us accelerate the number of children being cared for by the project in the next few years.

While the eventual aim is to make the project self financing within Peru, there are many children who require help now. Regular donations under this sponsorship scheme will allow us to plan for the future, knowing that the monthly costs associated with supporting the children have been provided for.

It costs US\$103 (approx. £65 at the time of printing) per month for each child in residential care in one of SU Peru's Street Children's Homes.

This covers everything provided for the child at each of the centres and includes care staff, food, clothing, education, health care, maintenance of the home and on-going management and staff training—so as to ensure the highest possible standards and best practice.

If you would like to help, please give whatever you can to support a child in one of these homes.

Gift Aid Explained

If you are a UK taxpayer and donate money to a registered UK charity, you have the option of giving by Gift Aid. By choosing to give in this way, it enables the Vine Trust to increase the value of your gift by 28p in the pound at no extra cost to you. In turn this will allow the Trust to continue its development and assist with core costs within the UK. You must pay an amount of Income Tax and/or Capital Gains Tax at least equal to the tax that the charity reclaims on your donations in the appropriate tax year.

Street Children

Street children home in the Sacred Valley, near Cusco

Street children are among the most impoverished and marginalised people in the world. A child abandoned and living on the street only has one goal - to survive however they can. They will turn to begging, stealing, scavenging and prostitution.

Our partners, SU Peru now operate a total of eight street children's centres providing shelter and food to more than 300 children, giving them an opportunity in life which has thus far been denied them. The educational and social programmes run in these centres aim to help some of the poorest children reach their potential against the odds.

The Vine Trust's **KidSpace** sponsorship scheme offers you the chance to financially support a place in 1 of 4 of the residential Centres: Sacred Valley, Ica, Kusi and Puerto Alegria.

VineTrust

The Vine Trust is an international, interdenominational charity with a vision to see communities transformed. We work to bring opportunity, health and hope to disadvantaged communities and marginalised people with a particular concern for vulnerable children. In recent years our partnership with Scripture Union Peru, has been our flagship project.

In Peru, children as young as 4 are living on the streets, subjected to violence, neglect and human rights violations. The Street Children's Project offers these children a way off the streets and into residential and educational programmes.
