

## YOUR LEGACY

How a gift in your will can help people living in poverty move towards a brighter future

[www.vinetrust.org](http://www.vinetrust.org)

## What We Do

Vine Trust is an international volunteering charity. **We send volunteers each year to help build homes in Peru and Tanzania for children and families in need, proving a real sense of hope.**

**We also send healthcare professionals to volunteers on our medical ships on the Amazon River and on Lake Victoria to reach some of the world's most remote communities with a health care service.**

By leaving a legacy to Vine Trust you can help change the lives of some of the world's most vulnerable children and communities.

## Where We Work

### Peru

Despite its beauty, Peru is a country where millions live in extreme poverty resulting in many abandoned children and many families and communities without healthcare. The use of a medical ship provides a unique approach to reaching the Amazon River's most isolated communities.

### Tanzania

Our medical ship on Lake Victoria reaches the island communities, who have some of the highest rates of HIV & AIDS in the world.

Volunteer expeditions to Tanzania support our local partners in constructing homes for vulnerable children and families. These homes not only provide much needed security and shelter, but a sense of hope.

We are working towards building a 'Village of Hope' which will house widows and orphans, and provide education & vocational training.

## **How You Can Help**

Making a will is a wise and fulfilling decision. It is one way to give your family and loved ones long term peace of mind. But will-making also provides an opportunity to express the compassion which has marked your life. Remembering us in your legacy enables us to continue our work with those living in poverty.

***"It's wonderful to know I can give more children and families a sense of hope, security and future."***

Gifts given in memory as a tribute to celebrate the life of a loved one can also make a huge impact for good.

**A legacy to Vine Trust won't cost you much now, but it could become the largest gift you ever make. Legacy donations transform possessions into hope for many people and play a priceless part in our work.**

## **How Do I leave a Legacy to Vine Trust?**

We recommend you speak with your solicitor to arrange your will. For further information, please send us an email to:
